WAR, RECONSTRUCTION and ESTABLISHMENT OF PEACE

FROM THE ROOTS OF WAR TO THE ESTABLISHMENT
OF A LASTING PEACE

Tirana

September, 18-22, 2017

The Summer School aims to provide a group of international graduate students with scientific pillars about roots of war, peace and issues in peacebuilding. In line with Peace Science tradition, the program is interdisciplinary involving disciplines such as economics, political science, international relations and history. It is designed for graduate students with a strong interest in the scientific study of Peace that are either willing to proceed to advanced graduate studies or to become future practitioners in the field of international relations and peacebuilding. In order to favor also a fruitful and open dialogue with the faculty a small group of students will be selected. The faculty is composed of world-class scholars in the field.
